FAIRMONT MONTE CARLO

Creator of major events *since 1975*

Halfway between the Mediterranean Sea and the Monte Carlo Casino, the Fairmont Monte Carlo overlooks the French Riviera.

It is here where elegance and glamour blend to sustain this very special atmosphere of prestige and luxury.

Grand Events Fairmont Monte Carlo has been a must of Monegasque events for more than 40 years: official caterer of the princely wedding of Albert II of Monaco, it joins, among other things, the Rolex Monte Carlo Masters or the Formula 1 Grand Prix every year.

The event teams, combining service and gastronomy, support you on your celebrations. From private event, to congress, to gala dinner, we guarantee you refinement and quality.

The hotel is a privileged witness to Monegasque avant-garde. This taste for refinement is at the heart of an offer of exceptional receptions.

Modernity and *excellence*

Haute Couture spirit and exceptional setting mingle in this glamorous Riviera atmosphere. Our teams welcome you and your guests, take care of you and contribute to the creation of these unforgettable moments.

THE FRESCO EXECUTED BY VASARELY IN 1970 HAS MADE THE FAIRMONT MONTE CARLO FAMOUS FROM ITS CREATION

The spirit and functioning of the service is based on environment respect, the development of a social responsibility of companies wishing to reduce the impact of a luxury hotel, and the fight against food waste.
