And, our 'Open kitchen' allows you to watch as our Chef prepares your dishes! An evening out in our restaurant is a delight for the senses, especially when seated at our special Chef's Table.

We serve a unique, own hotel chocolate, called Cognition Noir. Naturally this is a choice ingredient in our beautiful desserts, 'bonbons' and luxury pastry. But, don't be surprised to find some chocolate accents in your main dish: a tantalizing combination!

At the Vinoteca at Pullman you'll meet with a large selection of finest wines served by the glass. Our contemporary and stylish Bar47 offers excellent wines & Tresor Digestif. Of course, any time in the day is a good time to enjoy a delicious Nespresso coffee! Want to surprise the home front? Buy our delightful bonbons or deluxe pastry, to take home.
