

Raffles. From Istanbul, with love.

Your guests, surrounded by elegant beauty  
... amazed. The service glides between them,  
the food delicate, delicious ... and supremely  
sophisticated. The Ballroom is alive with joyous  
conversation and shared laughter. And close by,  
the serene space of the Bridal Suite awaits...

Unforgettable.

For more than a century, Raffles has been  
a mythical whisper on the lips of life's  
adventurers. In Istanbul we continue that legacy  
by creating the perfect place to begin  
the adventure of your lifetime.

An oasis for lovers and those who love life,  
Raffles Istanbul sits at the heart of the  
Zorlu Center, in the most exciting, energising  
and romantic city on earth.

You are cordially invited to Raffles Istanbul.

The story continues...

A man in a dark suit and a woman in a blue gown are walking down a modern staircase. The man is on the left, wearing a dark suit, white shirt, and dark tie. The woman is on the right, wearing a long, blue, pleated gown with a silver belt and a small clutch bag. They are both smiling and looking towards the camera. The staircase is made of light-colored stone or concrete and has a glass railing. The background is a modern building with large glass windows and a curved facade.
