

# Green Key Initiatives

Help us to keep up the green cause with certified eco friendly and organic products

Pullman Dubai Downtown is a five-star hotel located in Business Bay Dubai. Located just a stroll away from Burj Khalifa, the hotel offers 350 rooms and suites spread across 19 floors and features stunning views of the city's skyline and the Dubai water canal.

Four meeting rooms and a beautiful ballroom in the natural daylight offer business guests the perfect amenities for their conferences and events.

The hotel houses 5 dining venues, a spa, a gym and a squash court that offer a comfortable stay at high standards whilst maintaining an environmentally friendly approach.
