The Club

For our junior residents, The Sugar Palm Club is open daily, 9:15 to 16:30.

Drawing inspiration from the original name of Praslin - Isle des Palms - The Sugar Palm Club is a dedicated kids' club catering to toddlers, children and teenagers on the resort. Lively, educational and age appropriate activities are coordinated by our Recreation team, to ensure that the young ones can enjoy the idyllic paradise of Praslin as much as their parents do. Assigned to 3 separate themed rooms based on their age groups, the children are free to socialize, play and mingle amongst peers of similar ages.

Parents are required to accompany children to the Sugar Palm Club and register their children for the activities daily.
