❧ REVITALIZE BATH MENU ❧

Raffles Signature Romantic Bath Experience - 199 €

Spend your time with the one you love, with this powerful mood-enhancing dried rose petal bath with our secret formulated blend of exotic bath oils. It is said that ancient Greek and Roman royals used rose baths to not only get rid of anxiety but also to tone & soothe their skin. A bottle of champagne with chocolates awaits your indulgence as time stands still in the moment of bliss.

Lavender Dreams Island Bath Experience - 159 €

Dreams of French lavender fields kissed by the French sun envelop your sense as you drift on waves of blue. This Lavender bath will wash away your worries and replace them with a deep sense of tranquillity and peace. Lavender baths have proven to invigorate your overall mood, combatting stress, and fatigue and relieving muscle tension & menstrual cramping. A bottle of wine goes well with this dreamy bath experience.

Mandarin Bath Experience - 130 €

Indulge in a relaxing aromatic soak in a blend of wild lime & oranges with a hint of lemon grass. This bath is known to detox your skin and provide purity & clarity. The anti-oxidants will make your skin look healthier and fresher and Vitamin C extracts help your body increase the amount of collagen secretion. A series of healthy drinks await you to help ease your way to a restful night's sleep.

Deep Relax Bath - 90 €

Banish sleepless nights and drift into a peaceful slumber with our Deep relax bath. This herbal, woody and earthy aroma bath leaves a luxurious softness to your skin and fragrance that linger throughout your day. This calming concoction contains grounding vetivert as well as chamomile to soothe and sandalwood to help feel relaxed along with lemon grass drink, all of which combine to help you switch off and subsequently drift off...

Revive Morning Bath - 90 €

Turn your five-minute morning shower into a moment of joy, with our Revive morning bath. A few minutes of inhaling the invigorating grapefruit oils together with energizing notes of rosemary and refreshing juniper berry will invigorate the body & mind and will leave you ready to face whatever day has in store. It is a perfect bath to boost immunity and banish a hangover. This is one early morning wake-up call you will appreciate along with fresh coconut

Bubble Bath - 50 €

Pamper yourself by soaking in a bespoke fragrance bubble bath all the while relishing the tropical views from your bathtub.
