THE ELEMENTS

It is very often difficult to choose a wine and find the right balance between types, denominations, grapes, and various styles.

But we all have links to our senses and tangible memories of materials around us. For this reason, we have created a wine list that will guide you in the spectacular world of wine, where you will discover your preferred element.

WHITE WINES

DROPS

Thousands, millions of small drops tickle our palate with fresh, citrus aromas, and the memory of bread baking in grandma's oven.

They are drops of joy and bring out the terroir's flavours.

RED WINES

LAUREL

Since ancient Rome, the laurel has been a symbol of nobility.

We have dedicated this element to Bordeaux red wines, not only for their “noblesse”, but often their perfume is a bouquet of spices, fruit, and undergrowth.

They are wines that dance harmoniously between fruit and power, structure and elegance.

SWEET, PORT & SHERRY

HONEY

Sweet and seductive like honey,
the following wines are much more
than a flavour... they are like a cuddle
for our taste buds.

· XI - HONEY ·
