# A place for a *delightful* experience

---

During their business meetings and events, guests can enjoy our culinary proposal: contemporary Roman cuisine prepared with the freshest local products. For their coffee break, lunch or dinner, clients can be inspired by the Chef's proposals or choose to customize the menu according to their needs or to the occasion, with both à la carte and buffet options. Our rooftop restaurant Settimo, offers a unique view of the Eternal City.

# Services and *meeting* facilities

---

Our experienced team will assist guests efficiently and closely to plan the perfect meeting or event, taking care of every detail from the accommodation to the decor, from entertainment to defining menus.

Our event rooms are equipped with all the facilities for the most demanding audience and our English speaking technical experts are always at guests' disposal to promptly respond and satisfy every need.
