We love our younger guests and make it our business to ensure that they feel special. From the exciting activity packs gifted to them on arrival, to gingerbread decorating, Africa-themed story time and a selection of boardgames, consoles and books, we like them to feel especially welcome.

Ask about our recommended child-friendly Cape Town activities for daytime adventures or round up the family for a cosy night in with a movie and in-room dining service. Should you wish to explore a bit more of the city without the little ones, our professional child-minders will look after your children with the utmost care. Pre-booking for child-minding services is required. We can also provide baby monitors, extra bedding, bottle cleaners, baby baths and high chairs on request.

Introducing putting mats in all our suites—whether you're working on your game or having fun with the family, this new addition is a fantastic way to make your stay even more enjoyable for golf lovers.
