BASCULE

TIMELESS: THE NEW CHAPTER

BASCULE BRINGS THE SPIRIT OF CAPE TOWN TO LIFE.

Our intimate whiskey and cocktail bar draws on the city's contemporary speakeasy culture, offering an immersive journey into the essence of the Cape.

The magnificent location on the edge of the marina and the elegant long bar set the scene for inspired evenings, from atmospheric cocktail hours to jazz-fueled discussions over 20-year-old Scotch.

Bascule's centrepiece is a superb art collection showcasing pieces by established and emerging local artists. Standouts include Banele Khoza's romantic and dreamlike portraits exploring the theme of love and Colbert Mashile's paintings depicting the mystical and mythological.

Above all, at Bascule we welcome you to experience the true warmth and sociability of Cape culture.

Discover the treasures of our wine cellar, whiskey collection and carefully crafted cocktail list – and join locals and visitors alike as they slow down and enjoy the moment.
