KOP-STOW-CHE

"The Dutch pairing of a beer and a shot of Genever. According to tradition, to approach the tulip glass filled to the brim with Genever, you must first bend over and slurp—to use your hands or to spill would be bad form. Afterward, you toast, follow up with a sip of beer and continue to sip or shoot at your own pace."

All prices are in UAE Dirhams inclusive of 10% Municipality fee and 10% service charge.
