Le Royal Monceau – Raffles Paris launches the « Baby Spa » for mothers' and newborns

Mothers and babies are invited to experience the all-new Baby Spa, a Thalasso Therapy Bath treatment at Le Royal Monceau, Raffles Paris.

Beginning fall 2018, Le Royal Monceau – Raffles Paris' onsite nurse Nathalie is offering babies a unique Thalasso Therapy Bath experience, which offers a new approach to bathing for newborns to two month olds.

This two-step treatment calms both the mother and baby's nervous systems. First, babies are gently placed in the 98.6°F water and rocked under a warm water jet by the trained expert. Once the bath is complete, babies and mothers enjoy a soft, relaxing massage together. Replicating the experience inside the womb, the treatment provides a sensorial adventure for newborn babies, while allowing mothers to relax with a postpartum massage.
