

## LE ROYAL MONCEAU

RAFFLES PARIS

## A UNIQUE COLLABORATION FOR EASTER

**Two exceptional artists**

The exclusive collaboration between the Maison Pierre Hermé Paris and the artisan decorator Thomas Boog transports us to a dreamlike marine universe with a collection shaped by seashells. 10 pieces of a creation called « La Face de l'œuf » can be found at the hotel. Each egg is composed of two chocolates, complementing a face, with flavours of milk chocolate, caramelised blond chocolate and Pure Origin Belizean dark chocolate.

« I wanted a collection no one would expect, uniquely echoing Thomas Boog's work – a collection that would captivate people's attention before being shared » - Pierre Hermé.

On this occasion, an exceptional structure dedicated to this exclusive collaboration has been created by the two artists and is to discover in the lobby of Le Royal Monceau – Raffles Paris, from March 26<sup>th</sup>.
