PRESS RELEASE

FORBES TRAVEL GUIDE 2022 AWARDS  
LE ROYAL MONCEAU - RAFFLES PARIS

Le Royal Monceau - Raffles Paris is pleased to announce the renewal of its "Five Stars" award by the Forbes Travel Guide 2022. This prestigious award recognises the exceptional work of the Palace's staff in providing the most discerning guests with a truly memorable experience. Only the best hotels in the world can receive this award, and it is with great pride that the most Parisian of the Palaces obtains it once again.

### ***About Le Royal Monceau - Raffles Paris***

A hotel of the Roaring Twenties, a meeting place for artists and writers, gentlemen and adventurers, Le Royal Monceau - Raffles Paris has always embodied that Parisian je-ne-sais-quoi. Spontaneous, cultured, daring: the permanent effervescence of creation and emotion that reigns here attracts travellers in search of the Parisian life. This avant-garde Palace with its contemporary design is located just a stone's throw from the Arc de Triomphe and the Faubourg Saint-Honoré and has 149 rooms and suites, including 3 private flats. Rated 5 stars, the Royal Monceau - Raffles Paris' reputation is above all based on art; the Palace has an exclusive Art Concierge service, an Art Bookshop, an Art Gallery and a Private Cinema. The culinary offer is also driven by the spirit of creativity that animates the entire hotel, from the effervescence of the Long Bar to the hushed atmosphere of the Viñales club, not forgetting its two iconic restaurants: Matsuhisa Paris, dedicated to Japanese gastronomy, and Il Carpaccio, a restaurant with Italian notes, recently awarded a Michelin star. Not to be missed: breakfast, brunch at La Cuisine and the new Tea Time with the unique creations of Pastry Chef Quentin Lechat. The myBlend by Clarins Spa with its spectacular pool bathed in natural light is a true haven of peace where you can lose yourself and find yourself.

### ***About Forbes Travel Guide***

Forbes Travel Guide is a global institution in the luxury hotel industry. The guide's experts travel the world, evaluating hotels, spas, and restaurants using a demanding rubric based on 900 objective standards to reward the most deserving places. The inspectors visit the hotels anonymously to evaluate the establishments as objectively as possible, with the aim of awarding an unbiased and completely independent star. The inspection examines all facilities with a focus on service, as the experience of a restaurant, spa or hotel relies on the encounters of professionals who do their utmost to please their customers. The Forbes Travel Guide began in 1958 as the Mobil Travel Guide, geared towards the American automotive world. Forbes created a unique rating system, and remains the only independent agency in the world in the world of luxury hotels. For over 60 years, their goal has been to inspire and advise travellers on the best way to enjoy their future stays, dining and wellness experiences. Forbes celebrates the highest standards for the enjoyment of travellers.
