
New Year's Eve
2026 / 2027

On the threshold of a century

The upcoming New Year's Eve at Sofitel Grand Sopot will carry special meaning – marking the beginning of an extraordinary jubilee celebrating one hundred years of history, timeless elegance, and the art of hospitality that has been our hotel's hallmark for generations.

Since 1927, Sofitel Grand Sopot has remained one of the city's most recognizable icons – a place where history intertwines with refinement, and the finest moments gain an unforgettable setting. This year's New Year's Eve will open a new chapter in this remarkable story, inaugurating the hotel's centenary celebrations.

We invite you to welcome the New Year in an atmosphere of understated luxury and exceptional celebration. A signature dinner at the Grand Blue restaurant, live music, and the unique character of the evening will create the perfect backdrop for a moment that brings together a farewell to the passing year and the beginning of our centenary festivities.
