Sofitel Frankfurt Opera
A TIMELESS BLEND OF FRENCH ELEGANCE AND MODERN LUXURY

Luxury Room

Sofitel Frankfurt Opera, located opposite the Old Opera, features timeless architecture inspired by 17th- and 18th-century French townhouses. It is just moments away from the city center, financial district, and luxury shopping.

Our Superior rooms, starting at 36 m², offer stunning views of the Old Opera, atrium, or park. Suites range from 50 to 120 m², while the Presidential Suite boasts a 130 m² private terrace with skyline views. Each room includes specially designed artwork honoring Goethe, Sofitel MyBed™, modern sound systems, and luxury Diptyque© amenities.

Relax in the luxurious Sofitel SPA, where floral accents set the scene for beauty rituals from around the world. Indulge in treatments using SOTHYS PARIS© products, or unwind in the sauna, hammam steam bath, or 25-meter indoor pool. The high-tech Sofitel FITNESS is also available.

Dine at Restaurant Schönemann, which offers German cuisine with French accents in a casual bistronomique style. Lili's Bar provides creative cocktails and bar food, transitioning from a lounge by day to a classic bar in the evening. Enjoy Goethe-inspired cocktails or afternoon pâtisseries and coffee.
